12th February 2024

Dear Esteemed Members,

On this joyous occasion of International Oral and Maxillofacial Surgeon Day, we extend our warmest greetings to all esteemed members of our community. It's a day to celebrate the remarkable contributions of our profession and the dedication of those who tirelessly work to advance oral and maxillofacial surgery worldwide.

In honor of this special day, let us carry out Project Sanjeevani, a collaborative initiative with IDA aimed at enhancing emergency management skills and basic life support training for our dental colleagues. From February 11th to 29th, AOMSI members will lead comprehensive training sessions across the nation. This project not only strengthens our bond with dental colleagues but also reinforces our commitment to patient safety and care excellence.

Together, let's elevate awareness and appreciation for our specialty while empowering our community to make a tangible difference in oral health care.

Warm regards and let's make this February 13th our International Oral and Maxillofacial Surgeon s Day celebration truly memorable!

Let us make Oral and Maxillofacial Surgery a household name.

Jai Hind

Warm regards

Dr. Bhagavandas Rai A
President, AOMSI
