

Gnatho Esthetics 2014

7th Annual Conference Andhra Pradesh State Chapter AOMSI - 2014

Date: 18th - 19th July 2014

Venue: **Vishnu Dental College**
Bhimavaram
West Godavari District

Dear Colleagues

The organizing committee takes great honor and privilege in inviting you to the 7th AP AOMSI chapter conference “GnathoEsthetics” on 18th and 19th July 2014 at Vishnu Dental College – Bhimavaram, West Godavari District.

The discipline of Orthognathic Surgery is fascinating and challenging because changes in dentoskeletal deformities bring out the best esthetic results, satisfying both the patient and the surgeon.

In Orthognathic Surgery, success is directly related to the ability and consistency of the surgical-orthodontic team to achieve predictable and stable results.

The Organizing Committee brings together elite speakers and distinguished faculty for the scientific & clinical sessions to present research with the latest cutting-edge technology in our field.

The committee keeping with our tradition, has organized two orations in the name of Prof. Tajmal Hussain and Prof. C Ramulu. Guest lectures & Keynote addresses by renowned international and national reputed speakers will be delivered to all the delegates and post graduation trainees. There is a Pre Conference presentation on Model Surgery & Splint fabrication for benefit of PG Students.

This conference will also provide an opportunity for post graduation students to present papers and posters.

We trust that you will find the scientific programme to be educational, the social program enjoyable, and the event rewarding.

We are looking forward to welcoming you in Bhimavaram.

Dr. K. Padma Rayalu

Organizing Secretary

The Venue...

The conference will be held in Vishnu Dental College at PADMABHUSHAN Dr. B.V. Raju Auditorium in the campus.

Vishnu Dental College, a division of Sri Vishnu Educational Society, started by Late Padmabhushan Dr B V Raju, with the vision of transforming the society through excellence in education, community empowerment, affordable health care and sustained environmental protection.

About...

West Godavari District is popularly known as the Granary of India since about 50% of the state's rice production comes from the district. In the uplands, oil palm, sugarcane, corn, mango, banana and other fruits as well as tobacco and cotton are produced. In the coastal belt of the district, prawns and fish is exported to Japan and the United States.

Bhimavaram is well connected by rail and road. The nearest airports are Gannavaram which is 120km, and Rajahmundry is around 90km from Bhimavaram.
