# WELCOME

With great honor and pleasure, Hong Kong will be the host city for the ICOMS 2017. On behalf of the Local Organizing Committee and the International Association of Oral and Maxillofacial Surgeons (IAOMS), we cordially invite you to participate in the 23rd International Conference on Oral & Maxillofacial Surgery (ICOMS) 2017 to be held from 31 March to 3 April at the Hong Kong Convention and Exhibition Centre.

Nabil Samman  
Chairman of ICOMS 2017

Julio Acero Sanz  
President of IAOMS

The Scientific Committee will develop a first class 4-day program showcasing the latest research and findings in the full scope of Oral and Maxillofacial Surgery as well as delivering the benchmark for best practice. It will be an excellent platform for surgeons, trainees, allied health professionals, healthcare experts in the field and industry partners for learning and networking opportunities.

We welcome your active participation in the Conference and to submit abstracts for presentation at the free paper and poster sessions. We are confident that our participants would have a remarkable knowledge exchange through this platform.

Besides the scientific program, we would also like to invite you to enjoy the sights and sounds of this great city to the fullest. Situated in the heart of Asia, Hong Kong is the most beautiful, dynamic and sophisticated city with a unique blend of East-meets-West culture. We sincerely hope our participants will enjoy the vibrancy generated by the legendary shopping opportunities, internationally renowned cuisine, remarkable efficiency and friendly people of Hong Kong.

We encourage you to mark March 31- April 3 on your calendar and look forward to seeing you at the ICOMS 2017!
