
4TH NATIONAL WORKSHOP ON RECONSTRUCTION IN MAXILLOFACIAL REGION

ODISHA MAXILLOFACIAL STUDY CIRCLE
in collaboration with
DEPARTMENT of ANATOMY, SCB MEDICAL COLLEGE, CUTTACK
under the aegis of
ASSOCIATION of ORAL and MAXILLOFACIAL SURGEONS of INDIA
SCB DENTAL COLLEGE, CUTTACK, ODISHA
20th - 22nd February 2019

In an attempt to train youngsters in the techniques of reconstructions of post-surgical defects in the oral and maxillofacial region, the Department of Oral and Maxillofacial Surgery, SCB Dental College, Cuttack; has been conducting a hands-on course on microvascular anastomosis along with cadaveric dissection and live surgery since 2016. Mr. Atul Kusanale, Consultant Head & Neck Surgeon, Poole Hospital Foundation Trust, Poole, Dorset, UK and other national faculties, share their expertise in the subject to encourage participation in the field. The program has been tailored to limited attendance only, for maximum exposure of the participants. We hope for your kind cooperation in making this endeavour in continuing medical education, a success.
