MESSAGE FROM THE ORGANISING CHAIRMAN

DR. GUNJAN DUBE

As Organising Chairman, I take this opportunity to welcome all of you to the 13thAOMSI, MP State conference to be held at Jabalpur on the 3rd, 4th and 5th of October 2025. Its heartening to witness how all the Maxillofacial Surgeons of Jabalpur, from the very experienced senior most members to the enthusiastic junior most surgeon of the town have collectively and cohesively taken up the task to organise this meeting which will surely offer you an unforgettable experience to carry back home.

A very special team from Sagar has also graciously joined hands and is equally pouring in inputs. Hence, for the first time, we have two cities as the conference host, which aligns with our idea of taking these conferences to even the remotest districts of Madhya Pradesh in the days to come.

Keeping up with our core value to make this meeting Post-Graduate centric, the team has made some reformative suggestions which would ensure an interested audience during the entire deliberations, whether it is the most experienced person talking or a novice trying to explain to us what he has gathered from the subject. There is an equal amount of presentation time distributed and shared by the guest speakers, keynote lectures, PG presentations, and Next Gen presentations, ensuring an equal participation of surgeons belonging to different generational strata of our fraternity. The lectures have been chosen to be of value, particularly to the inquisitive resident audience and the young practitioner who bears the responsibility of carrying the baton forward. As our tagline says, "Exploring the Maxillofacial Surgeons' Repertoire", we have tried to encompass and include the highly diverse subspecialty topics in a basic manner, for the deliberations.

There are plenty of more changes pitched by different committees in order to try and break the monotony of routine scientific meetings and to ensure that your visit to Jabalpur is a memorable one.

The weather would be pleasant around the beginning of October, and it would be a feast to visit tourist destinations at Jabalpur and around. With an open mind and heart, we welcome you all and also request you all to allow us to reveal our hospitable capabilities.

PATRON
