**DR VEERABAHU
PRESIDENT AOMSI**

Dear Dr. Veerabahu,

The members of the South African Society of OMFS are excited and looking forward hosting the Indian Society of OMFS here in Cape Town in August 2020.

Prof. Carlo Ferretti and I have been presenting a Masterclass in Orthognathic Surgery nationally and internationally for many years. The course are quite intensive and limited to 30 participants.

We are planning to present the same Masterclass as a pre conference course three days before the main conference, from 16 to 18 August 2020.

I attach a flyer as a "save the dates" and will certainly appreciate it if you could give this information to the members of your society planning to attend the Cape Town conference. Alternatively we could send the information if we have the contact e-mails of your members.

Hope to see you in Cape Town,

Sincerely,

PROFESSOR JP REYNEKE
