

**Official Request to
AOMSI (Association of Oral & Maxillofacial Surgeons of India)
for IAOO 2023 Promotion**

May 26, 2023

To whom it may concern,

Greetings from Korea and we hope this email finds you well.

We are hosting the **9th World Congress of the International Academy of Oral Oncology (IAOO 2023)**, which will be held from November 1 - 4 (Wed. - Sat.), 2023 at Grand Hyatt Incheon, Incheon, Korea. In this regard, we would like to ask for cooperation in forming a bilateral network between our host societies and other countries for developing the oral oncology field and promoting the IAOO 2023 congress in your association(society).

The International Academy of Oral Oncology (IAOO) began in 2005, recent advances in medicine and technology have led to the need for a multi-disciplinary approach to customized care for oral cancer patients, which was founded to collect and share experience and knowledge to take the clinical experience to the next level among renowned medical and scientific colleagues around the world. Since its foundation, the Academy has subsequently grown and, in 2011, IAOO became affiliated to IFHNOS.

Starting with the first World Congress in Amsterdam in 2007, the IAOO World Congress has been held every two years, and it is the first time to be held in Korea.

The IAOO 2023 Abstract Submission and Early Registration Deadline have been extended. Therefore, we would like to ask for your cooperation in promoting as follows:
