FROM THE SECRETARY'S DESK

Dear colleagues,

"The strength of the team is each individual member. The strength of each member is the team."

I would like to express my heartfelt gratitude to all the members of the prestigious AOMSI for allowing me to be a part of this successful journey as AOMSI completes its Golden Jubilee. I congratulate and acknowledge each of you for contributing towards the success of every venture taken up by the association. With great pride and honor, as the Secretary of the Association, I take this opportunity to share with you a brief about the major happenings of this year.

Firstly, I would like to congratulate Dr. Sanjiv Nair and Dr. Gopalakrishnan for making an International mark in the world of OMFS and making our nation proud. Dr. Sanjiv Nair has been elected as the President Elect of IAOMS and Dr Gopalakrishnan has been elected as chairperson of AOCMF Asia Pacific board. Their contributions have made the world sit back and take notice of the remarkable work being done in OMFS in India.

A team aligned behind a vision will move mountains. And getting the nation to move with us and notice us, was our motto when we started the nationwide run with the AOMSI torch. The torch has covered more than half of its journeys and the details can be found in the September 2019 issue of the AOMSI Newsletter ([LINK](#)) The torch run was planned to improvise upon the public awareness of our specialty and commemorate Golden Jubilee celebrations of AOMSI. I heartily thank all the State Chapters who have come forward and participated in making this event a well-planned and co-ordinated success.

Various ventures that began a few years ago have started gaining popularity and the seeds sown in the past have finally started bearing fruits of labour that was invested, for example the AOMSI Fellowship, Newsletter, etc. We thank you, dear members because it is because of your constant support that all these initiatives have tasted success.

As our association is striving towards greater heights with its teamwork and concerted efforts, I request all members to keep up the good work.

Thank you all for the support,

Regards ,

DR. PRITHAM N SHETTY

AOMSI MASTER CLASS 2019

Master class II - Kochi

The **South Zone** AOMSI Master class Program for Postgraduates was conducted at Amrita Institute of Medical Sciences, Kochi by **Dr. Pramod Subash** and team. 130 Postgraduate students from Gujarat, Madhya Pradesh, Karnataka, Andhra Pradesh, Telangana, Tamil Nadu and Kerala attended the four-day academic session. Expert faculties from around the country imparted their knowledge to the postgraduate students. The sessions were well structured according to the need of the postgraduates in an exam point of view.

The faculties had researched various university question papers and had listed out the possible questions that could be asked in the exams. Long / short case discussions were simulated by faculty in an interactive manner with the students. The highlight of master class program was the mock viva sessions where faculty evaluated the preparatory status of exam going students and guided them for better preparation and execution. State dental council awarded 24 CDE credit points to all the postgraduates who attended the program. The overall feedback from the postgraduates was positive.

The Association of Oral and Maxillofacial Surgeons of India (AOMSI), has identified a significant gap area in our Maxillofacial training. Poor understanding of various organ systems and their associated disorders in our patients and the consequences of undertaking Maxillofacial surgical procedures in these patients without proper optimisation is a serious issue. This can often translate into serious life threatening episodes in the perioperative period, sometimes with disastrous results.

The AOMSI has therefore taken this initiative to try and fill this gap with a 3 day intensive, interactive, inspiring course the **FOUNDATION MAXFAC**. This is primarily targeted at the first year postgraduate trainee members from around the country. The First ever course will be held from the 25th - 27th January 2019 at **Bangalore**. The venue for the meeting will be R.V. Dental College.

The course will be in a highly interactive format of learning, including some lectures, video assisted problem based scenarios, some demonstrations & a lot of discussion. The topics covered will include

- + History Taking
- + Systemic examination and investigations
- + Pre Anaesthetic Evaluation
- + Perioperative Case Scenarios commonly encountered
- + Preop Workup
- + Documentation including informed consent
- + Investigations
- + Intra op Monitoring and related issues
- + Post operative Protocols
- + Medical emergencies in the ward
- + Soft skill including communications
- + Pre and post test to evaluate the efficacy

AOMSI

Association of Oral and Maxillofacial Surgeons of India

2rd EC MEETING

Date: 1st March, 2019

Venue: Raipur

Dr. Pritam Shetty, Hon. Secretary welcomed the members and collared the President Dr. Krishnamurthy Bonanthaya.

Dr. Krishnamurthy Bonanthaya, Hon. President welcomed all the members.

Dr. Krishnamurthy Bonanthaya, Honorary President in his presentation mentioned the complain of two members of IBOMS exam and the need to discuss the complaint, a committee was setup which looked into the complaint in details and was discussed long with the IBOMS office bearers. Decision was made to discuss the final report with EC.

He thanked committee members, Dr Vargis Mani, Dr Aju Omen & Dr George Paul for the details which was submitted to the EC. President told to Hon. Gen. Secretary Dr Pritham Shetty to read the complaints of complainants and the salient features of the report.

IBOMS exam report on complaint by examiners Dr. Rohit Sharma and Dr. Suresh Menon as to the results were altered after finalization. 6 students were passed without their consent. First issue raised by Dr. Veerabhau stating whether AOMSI has any jurisdiction on the IBOMS exam and the enquiry. Dr. George Paul explained that the AOMSI has complete jurisdiction over the IBOMS as only a member of AOMSI can write the exam.

Bylaws of IBOMS states that it is a part of AOMSI.

Enquiry report: First complaint that the results were increased –

2 reasons given by the office bearers- 1) results were low 2) office bearers received a complaint from some candidates that the examiners did not behave in a proper manner.

The Enquiry Committee felt that was wrong and that the examiners should have been consulted before moderating the results.

Yardstick to moderating [pass / fail of students was 50% passing in MCQ exam if they failed in the viva voce]. Also there was one student who had less than 50% in MCQ was also allowed to pass. Enquiry Committee also found out about 30% MCQ were wrong.

Recommendation of the enquiry committee was either:

1) Pass all 2) Cancel – rehold the exam 3) Present result stand

Option 2 was not legally possible. The IBOMS committee had advised the Enquiry Committee of option 1 to pass all.

Dr. Ghosla Reddy advised option 2. Dr. George Paul explained why that would not be possible.

A lot of discussion took place and was then put to vote. 22 voted to pass all. 4 voted for status quo. Dr. Shyam suggested to have exams outside AOMSI to avoid this controversy, which EC differed on the suggestion and advised to keep it with the IBOMS committee.

The executive committee requested Dr. Manjunath Rai Chairman of IBOMS to form a committee to work in the process of Question Bank, conduct of exams and examination guidelines. The minutes of previous meeting were read by Gen Secretary, passed by EC proposed Dr Pramod and seconded by Dr Veerabhau.

Hon Sec Dr Pritham Shetty requested Joint Secretary Dr. Mukul Padhye to give details of Master the 4 masterclasses held this year in Bhubaneswar (east), Faridabad (north), Kochi (south) & Navi Mumbai (west).

Editors report, reported by Dr. Rishi Bali, Editor. He informed there was an increase of 10% in the articles in 2018.

Treasurer report, read by Dr. Pramod Shubhash. He informed of the Income Tax of 2,20,000/- INR. Also the rejection of 12A. Discussion of how to avoid Income Tax was held.

Oral Cancer Day- celebration, planning & presentation by Dr Bhagwandas Rai & Dr. Amit Dhawan.

To celebrate it on 31st May 2019. Screening of 10,000 truck/ auto/ taxi drivers all throughout the country to inform them the ill effects of tobacco and signs of oral cancer. Hon Sec requested the state secretaries & EC representative from the state to take it up at individual state levels. He requested Dr Bhagwasdas Rai & Dr Amith Dawan to form a committee and to work for the oral cancer screening.

Twitter account update given by Dr. Bhagwandas Rai wherein he thanked Dr. Jimson, Dr. Abhilasha & Dr. Gokul for their contribution & help.

Omkar Shetye discussed plan of Impaction Day to be held commonly all throughout the country, to discuss a date in August. He spoke of making a data base with Patient's name, Age / Sex, X-ray etc.

Pravin from A1 Logics will help him forming the data details. Also a lecture should be held in various junior colleges about the same.

Dr. Dinkesh & Dr. Nehal Patel to make orthognathic videos. 3 months' time frame for same, to be ready before the next EC meet 50th year celebrations-

Gene Sec explained the plans for the 50th year celebration and requested all the EC members to effectively participate.

Dr. Pritham Shetty Honorary Secretary requested state branches to continue torch and discuss progress. Dr. Shenoi suggested that paramedics should be made part of AOMSI. Dr. Ghosla suggested for Engineering, Law & Art colleges to be targeted for awareness. Dr. Kannan suggested an OMFS run. The Aurangabad OMFS was applauded for their radio show on OMFS day in Feb. 2019.

Dr. Ghosla Reddy suggested we have a regular workshop. Dr. Philip Mathew suggested we have free surgery to mark the occasion. Dr. Bhagwan Das Rai said we should publish, the free surgery and present it on the occasion of OMFS day. Dr. Kannan offered to take the responsibility of the survey and report. The Secretary informed the torch is rotating throughout the country.

AOMSI

Association of Oral and Maxillofacial Surgeons of India

Dr. Krishnamurthy Bonanthaya Honorary President highlighted the plus points and informed the Executive Committee that 110 participants attended the 3 day course. He informed of the improvement of the candidates in pre-test and the post test.

3-4 such foundation courses to be started-12th-14th July in Udaipur, 18th -20th October in BHU, Varanasi.

He thanked Dr. Deepak from R.V. Dental College & Hospital for providing all the help during the course.

Basic Skill course to be introduced in life support, suturing, catheterization and CPR on 8th – 10th August in Andhra Pradesh.

Teacher Training Program- 5th – 7th August in Udaipur- faculty for Dr. Ram Narayan.

Also to be held in South India- Dr. Abhay Kamath to be requested for same.

Also proposed that all masterclass faculty of 2020 should have done the Teacher Training Program. Charges for same should be taken from teachers was decided.

Dr. Deepak gave update on Bangalore conference.

Midcoms– Dehradun 2020 they will inform dates & venue in the June EC. Tentative dates in March 2020.

Webinar- Dr. Kannan discussed the webinar that was held. He wants to hold one every month.

There were 370 participants participated for the one that was held and 28 questions were answered.

Two more webinars by Dr. Mustafa & Dr. Bhagwan Das Rai planned for the next two months. Dr. Ghosla Reddy was also requested and he has offered to hold one in March next year.

Discussion on feedback forms was done- final feedback in June EC.

Dr. Sonal Anchalia informed EC that 380 participants attended oration in MIDCOMS. The Executive Committee felt that 75% attendance should be compulsory to give certificates. Questionnaire of feedback should be improved and should be circulated for editing and improvement. Also we should try for online feedback. Good work of Dr. Sonal was appreciated.

OMFS day celebration was presented by Dr. Padmaraj and informed the Executive Committee that this was the best OMFS day till date. He requested all to keep up the same tempo throughout the year.

Dr. Pritham Shetty, Honorary Secretary suggested that the association should give some prize for the best celebration/ best view to respective branch. There was celebration in Jammu & Kashmir & Assam too.

Dr. Ghosla Reddy requested all faculty, senior members, new members to renew their membership of International Association of IAOMSI and also to attend the Rio meetings in large numbers.

Dr. Krishnamurthy Bonanthaya, Honorary President read out another the complaint of a member about the elections held in the national conference of AOMSI in Chennai for which a enquiry committee was set up, the committee has started the enquiry process the detailed report will be submitted in June. Hon. Gen. Secretary Dr Pritham Shetty has read the complaint by Dr Emanuel & his reply to the complaint copy of which is attached. EC agreed upon the answer given by the secretly. Minutes of the previous EC, which was passed proposed by Dr. Pramod Subhash were seconded by Dr. Veerabhau.

Dr. Pritham Shetty Honorary Secretary responded to the complaint –

1)Referring to permit nominations beyond deadline- there was clerical error by the office and was difficult to rectify on website afterwards so was decided to continue to the new deadline. It was put up as a notification on the website.

2)4 candidates were allowed to contest elections after final list of candidates was declared- proof of same was asked.

3)Right to contest for elections- Referring to this the matter was discussed in AGM in Nagpur and was decided by the General Body that it will not be allowed.

4)Secretary was canvassing in the election area

-Reply General Secretary is a part of election process

-Should have objected if he saw him campaigning.

Election Commissioner Dr. Vikas Dhupar asked all candidate before opening the results whether there was any complain. Also asked the same question before announcing results in AGM, Dr. Emanuel was silent then too.

5)List of candidates with large photos should be put up, reply to this is it is not a political election, ballot paper was put up in election area.

6)Use of LM number to trace the voter- rely to this LM number important for duplication of results declared immediately. Election process to be started to have 3 OTP's to verify security system.

Conclusion of Dr. Pritham Shetty Honorary Secretary is that the complaint is frivolous and made to malign the General Secretary.

The Executive Committee then discussed the issue at length. Dr. Ghosla Reddy felt that the complain should be ignored. Dr. Mukul Padhye Joint Secretary, feels it is important for members to feel that the entire election process has been revised again.

Dr. Padmaraj felt there should be a time limit for lodging a complain. President Dr. Krishnamurthy Bonanthaya Honorary President mentioned that the complainant did not want the President to be present during the Enquiry Committee meeting. The Executive Committee feels that at the end of the enquiry if the complaint was mudslinging and frivolous then member should be punished.

President says the complainant had complains of election proceedings for last 5 years since Goa. General Secretary clarified Goa had ballot papers, Amritsar had EVM's and now new EVM, he has problems with all systems.

Further discussions about will be discussed in June EC. Dr. Umar spoke of social security scheme. North East chapter of AOMSI has started.

Dr. Sonal Anchalia discussed about sexual harassment at college level, and whether AOMSI can help? Dr. Bhagwan Das Rai said every college is affiliated to NAAC and NAAC has strict guidelines for having this committee.

Dr. Ghosla asked if AOMSI can help a member for any personal problems- EC said no.

The EC stood in silence for the sad demise of Dr. Syed OMFS surgeon who expired recently. The next EC was announced to be held in Ahmedabad in June.

The EC meeting was ended by a vote of thanks from General Secretary Dr. Pritham Shetty Honorary Secretary.

EDITOR'S REPORT – 2019

1. The year 2019 has seen a steady growth in the Journal of Maxillofacial & Oral surgery as we have now successfully transitioned from a “Print plus online” to an “Online” only format this year.
2. I am happy to report that the journal has been doing extremely well both in terms of the journal metrics and the related financial statistics. Beginning January all issues have been embossed with “Celebrating Golden jubilee Year of AOMSI on the Cover of the journal .
3. A total of 290 articles were submitted to the JMOS in 2019 till date, which is slightly more than the corresponding figures in the previous year.
4. In continuation of our policy to publish **early** in each cycle, we have already published the first three issues of the journal this year and the fourth one will be published in first week of October.
5. Since the download figures of the new sections started last year were highly encouraging, we have published three articles in the ‘Invited review section this year.
6. The Net Royalty for the JMOS in 2018 payable in 2019 was Rs2498860 as compared to previous years Rs 15,40592/- (Before tax) .This huge 50 % jump has been partially made possible due to Springer raising the Net Paid revenue by 5% from 30 to 35 %. I thank the Hon. General secretary for his proactive role in thrashing out the new contract.
7. In our endeavor to improve the journal standards and also on popular demand by some members of the association , we are actively involved in the process of indexing our Journal in Scopus , as presently the UGC guidelines are accepting this as one of the benchmarks in scientific publishing in India . I am happy to report that Scopus review committee has accepted the inclusion of journal and this shall reflect in the updated list to be released by Scopus in Dec 2019.
8. Once again I thank all the Reviewers for their valuable contribution to the journal.
9. Last but not the least I acknowledge the role of all the Associate Editors and reviewers who continue to help us in making our journal one of the best in the field of scientific publishing in our specialty worldwide.

AOMSI : GOLDEN JUBILEE CELEBRATIONS

1969 - 2019

Celebrating the Past , Inspiring the Future

As AOMSI is inching towards its golden jubilee celebrations in the year 2019 scheduled to be held in Bangalore, the Head Office has decided to commemorate this occasion by releasing a book on Oral and Maxillofacial Surgery. The Head Office has decided to mark this occasion by circulating a customised torch throughout the country starting from Kanyakumari on September 23rd 2018 and ending at Kashmir. AOMSI wishes active participation from all its members for this occasion. All members are requested to contact their state secretaries regarding the receiving of the torch in their respective states. AOMSI encourages its members to conduct rallies, marathons, awareness campaigns to celebrate its 50th year.

We, at AOMSI are open to ideas and would appreciate suggestions from the members regarding the 50th year celebration. Feel free to write to us at secretary.aomsi@gmail.com regarding the same.

Looking forward to hearing from you all!

AOMSI CRICKET TOURNAMENT

While the world out there was having a normal day, the AOMSI was charging up for its 3rd edition of the National Sporting Event.

"All work and no play, makes Jack a dull boy". Having understood the essence of this quote and standing by it, the AOMSI has always been on an encouraging front in case of its members extra-curricular interests.

The sports fest was organized by Dr.L. Krishna Prasad, Dr.G.Rajasekhar and Dr. Ramdas Balakrishna under the guidance of the AOMSI President Dr. Krishnamurthy Bonanthaya and secretary Dr.Pritham Shetty.

It was 7am in the morning of 20th December 2018. The atmosphere was chilly, yet charged up. The grounds of Siddhartha Medical College in Vijayawada were awaiting to witness an epic battle. A battle between six teams across the country. Secretary Surprise, Surgical Strikers, Neels XI, Rai Royals and The Blasters had set foot in the field. Andhra Legends, the new team was also ready to put up a tough fight to its competitors.

The cricket match had begun with much enthusiasm and excitement. The six teams displayed stellar performance. The bowlers bowled greater speeds and the batsmen did not lose one opportunity to swing the bat to hit a sixer. The matches continued till 5 pm in the evening. Displaying no fatigue, the players enthusiastically indulged in the game. The environment was filled with team spirit and brotherhood.

Every team performed its best. But the team that gloriously triumphed was The Blasters, with their immediate runners-up being the Surgical Strikers. The victorious cricket match was followed by a gala dinner where the winners and runners-up were awarded with cups and trophies. The players of the other teams were given certificates of participation for their zealous participation. The evening ensued with fun and frolic with delectable food and a live band that enthralled the audience with its serenade.
