

AOMSI

Association of Oral and Maxillofacial Surgeons of India

Dear Members of AOMSI,

We hope that you all are doing well and safe amidst this Covid crisis. Some of you might be involved in Mucormycosis cases, probably like the last straw on the weakened back has derailed life like never before.

The AOMSI is now raising funds as Covid Contingency fund. This fund will be available for AOMSI members who can approach their respective State secretaries for aid. The fund might currently be primarily used to manage Mucormycosis, both surgical and medical, but it is not exclusive. If appropriate requests are raised, this fund will be used for all Covid related financial needs. We are sure that these funds will be used judiciously and only for the benefit of the patients. We encourage the state secretaries and members availing the fund to maintain complete transparency of its usage, which will be easy to audit.

Please contact the state secretaries for further queries regarding the Covid Contingency fund.

Warm regards,

Dr. Veerabahu. M.
President

Dr. Pritham N Shetty
Hon. General Secretary

Dr. Krishnamurthy Bonanthaya
Immediate Past President

DR. Mustafa K
Chairman - Covid Fund Collection
