Last date for the payment of enrollment fees: *Will be intimated later*

### THE EXAMINATION PATTERN:

The examination shall be conducted in three parts:

#### **1. Written examination:**

There will be 100 MCQs covering all the aspects of Oral and Maxillofacial Surgery and the basic sciences. A rough marks distribution subject wise is: Basic sciences 10, Minor Oral Surgery 15, Trauma 20,

Orthognathic surgery 15, Oncosurgery and reconstruction 5, Benign lesions and cysts 10, Implants 5, Cleft and craniofacial 5, TMJ 5, Salivary gland and maxillary sinus 10.

## 2. Case presentation:

Each candidate has to present, with full documentation, two major cases that they have done (as the lead surgeon) during their career. The presentations should be sent to the IBOMS secretary at [examinations.iboms@gmail.com](mailto:examinations.iboms@gmail.com) in pdf format by 31<sup>st</sup> October 2023.

## 3. Viva-voce:

The examiners will conduct a viva-voce on the various aspects of Oral & Maxillofacial Surgery and related clinical sciences to assess the candidate's range and depth of knowledge and excellence in the specialty.

## **ELIGIBILITY CRITERIA FOR APPEARING FOR IBOMS EXAMINATION**

The major aim of the IBOMS, in awarding the Fellowship, is to recognize 'excellence' and hence the evaluation will be based also on the past performance of the candidate in the teaching of Oral and Maxillofacial Surgery and his/her contribution to the advancement of the specialty.

**The candidates appearing for the examination should satisfy all the following requirements:**

1. Should be a member of the Association of Oral & Maxillofacial Surgeons of India in good standing.
2. Threeyears' experience in clinical practice/teaching/research after MDS in Oral & Maxillofacial Surgery or equivalent qualification which is recognized by the Dental Council of India.
3. Each candidate therefore must obtain **30 points** to be eligible to appear for the examination as per the calculations given below.

## **Calculation of Points**

The point system is introduced for ease of assessment by quantifying contributions and achievements.
